Understanding Accountable Care Organizations

February 8, 2011

Stan Dennis
Senior Vice President

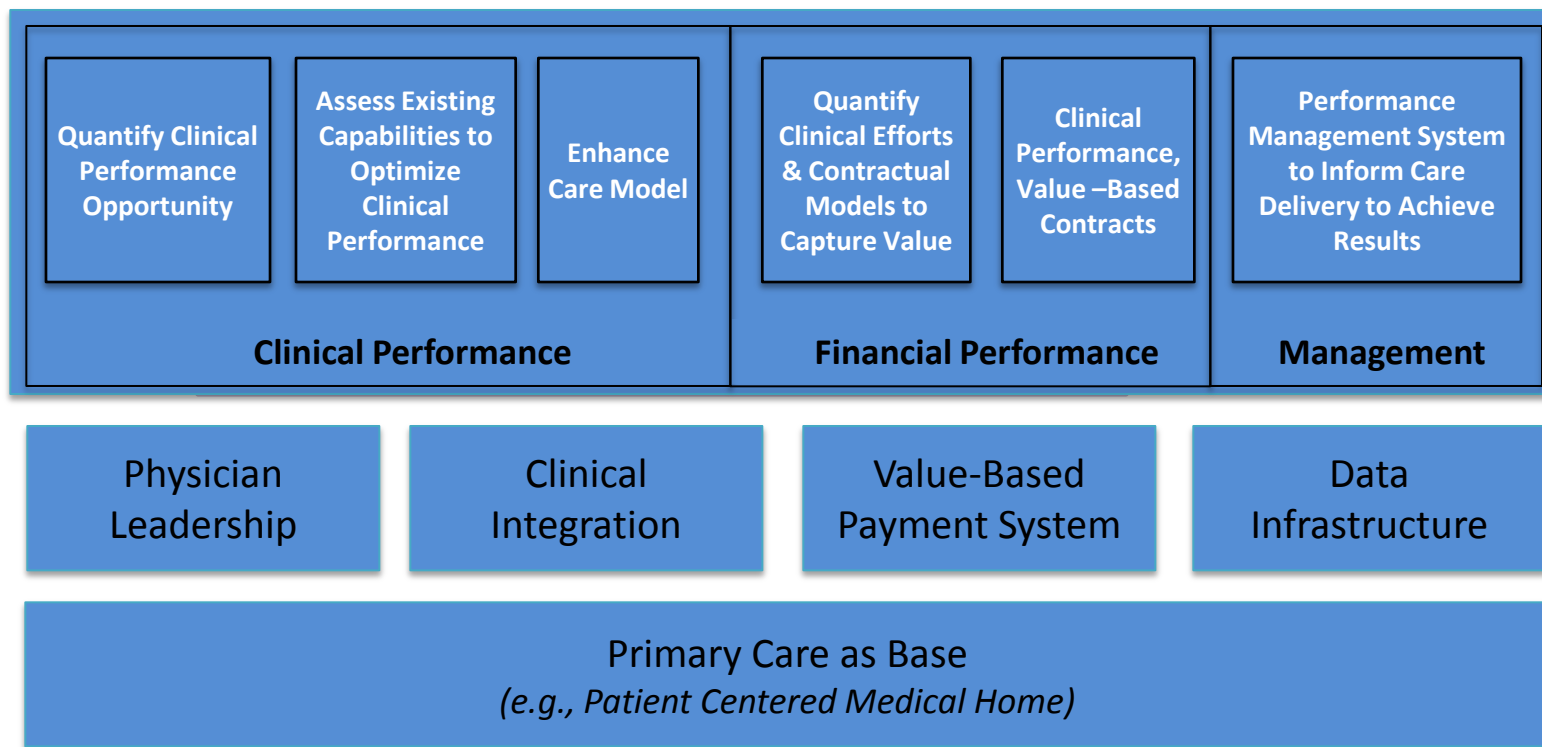

ACO Model: Six Core Components

A group of providers willing and capable of accepting accountability for the total cost and quality of care for a defined population.

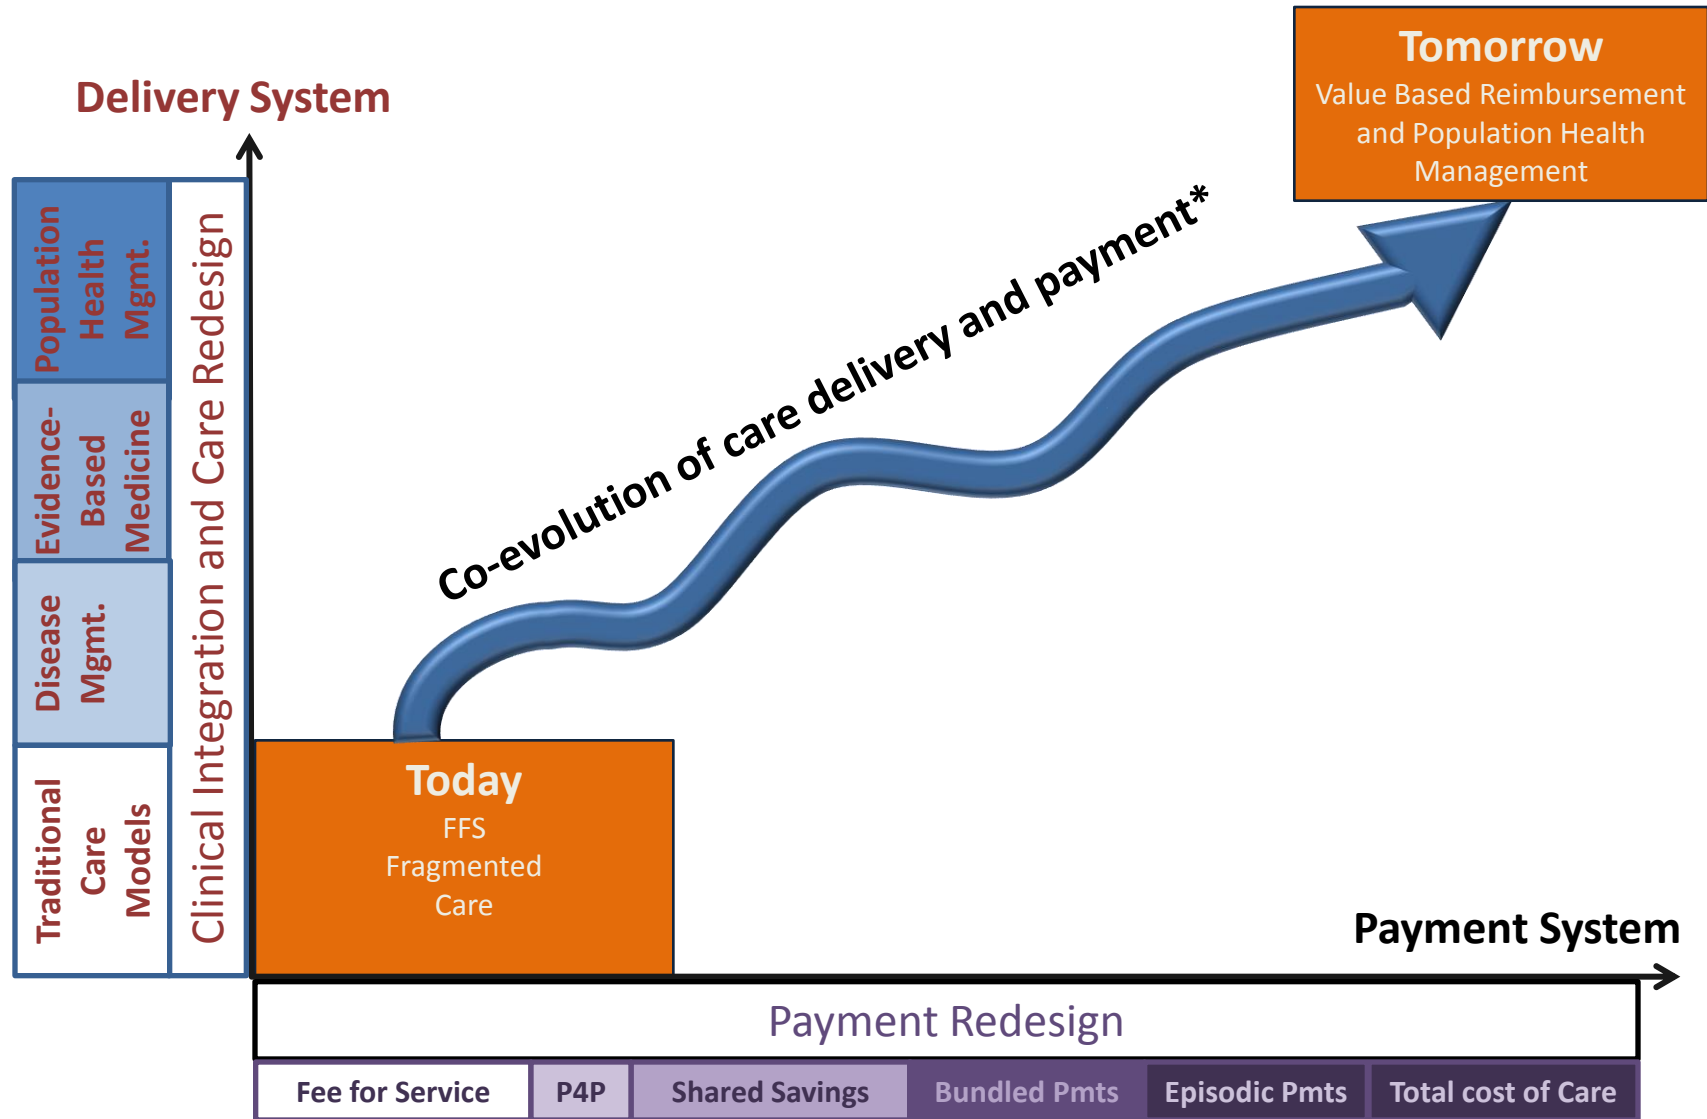

Source: Premier, Inc.

THR's Approach to Accountable Care

***Clinical improvement core to value creation:
Active network participation, integration & strong physician leadership***

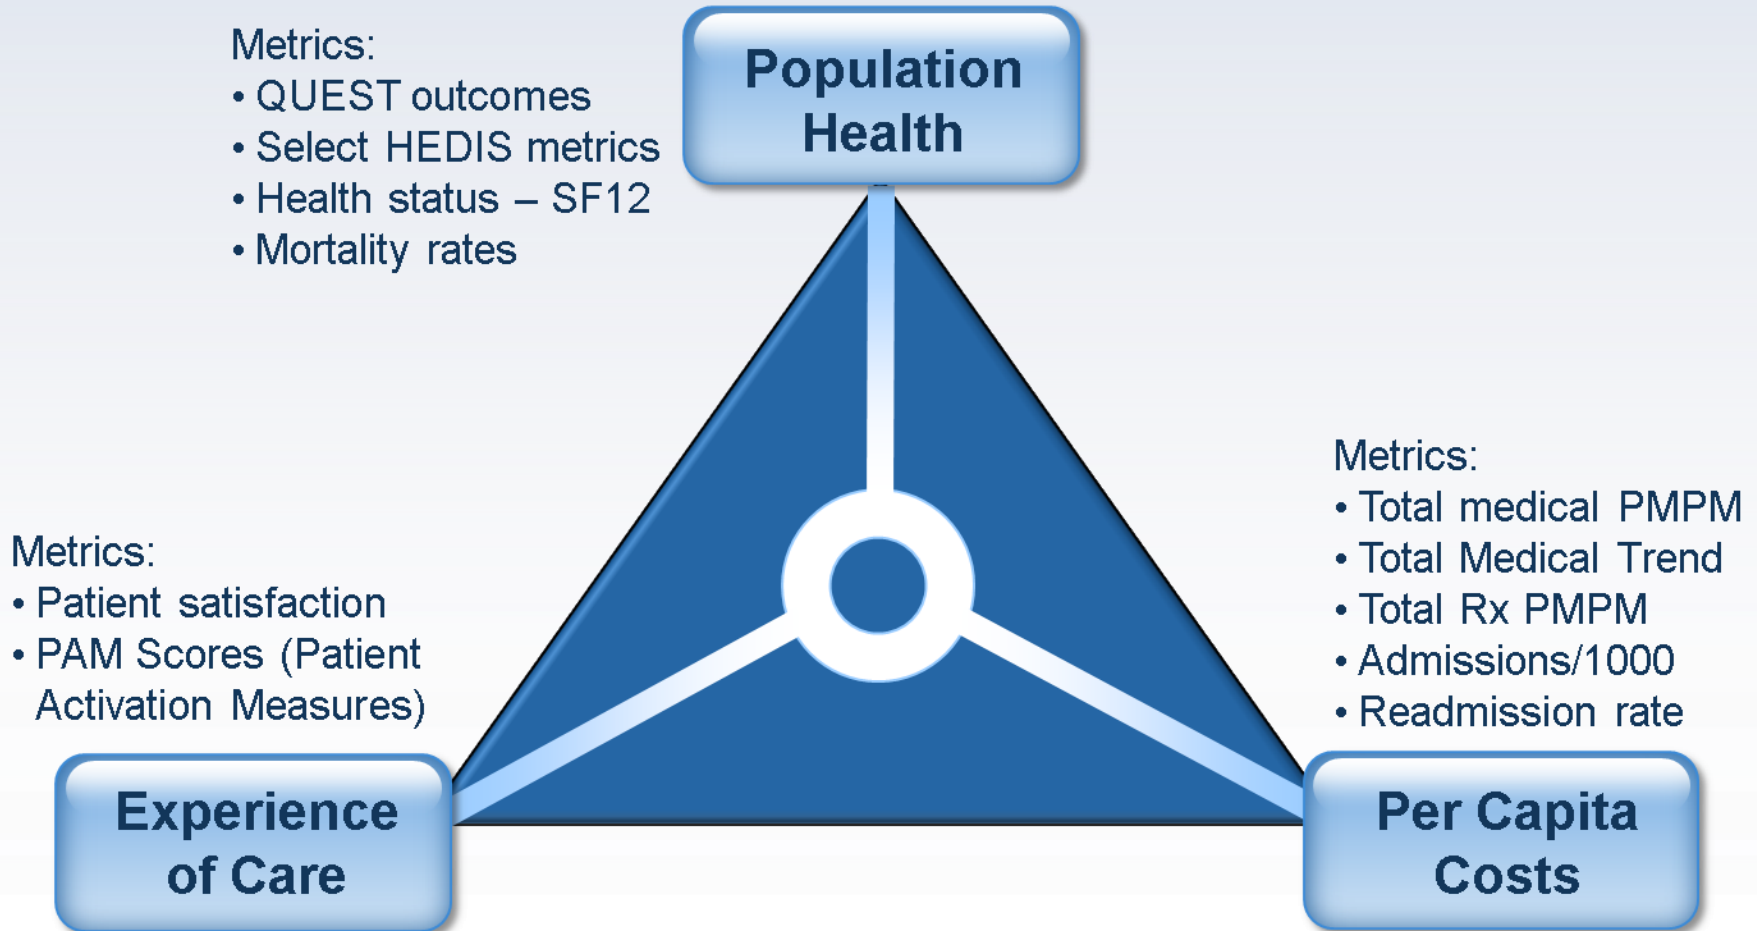

Timing of Accountable Care Journey

*Care redesign cannot outpace payment reform, to ensure the viable transition from volume-based care to value-based.

Definition of Success:

Improving Triple Aim™ Population Outcomes

The term triple aim is a trademark of the Institute for Healthcare Improvement
